MEASURE HHH IMPLEMENTATION

On November 8th voters approved Measure HHH. Join us to learn how the funds generated from this initiative will be used. Measure HHH is a \$1.2B general obligation bond that can be used to build permanent supportive housing for homeless individuals and homeless facilities like shelters and storage facilities. It will be spent over the next ten years with the plan to create 8,000-10,000 new units of housing.

Special Guest: Rushmore Cervantes, General Manager, Housing, Community and Investment Department

CITY'S FIRST HOMELESS COORDINATOR

The City recently hired its first homeless coordinator to create an integrated strategy for City departments. This position is housed in the Office of City Administrative Officer (CAO) and will also play a role in implementing Measure HHH. CCA members are invited to meet the homeless coordinator and hear about plans to address the homeless crisis.

Special Guest: Meg Barclay, Homeless Coordinator, CAO

COUNTY + CITY + COMMUNITY (C3) UPDATE

C3 is an engagement strategy that was launched approximately one year ago by the Los Angeles County Department of Health Services. It divides the 50 square blocks of Skid Row into four areas and has a six member team working in each area. The multidisciplinary team has individuals who specialize in mental health services, benefit coordination, health and wellbeing, and housing locators. C3 provides outreach five days a week in the target area with the goal of housing 25 percent of the homeless population each year over the next four years. Join us to learn about C3's successes and challenges to date.

Special Guest: Sara Shortt, Director, C3 Program
